Eagle Mountain House

...creating memories since 1879

The Historic Eagle Mountain House, established in 1879

Today's course was converted in 1931 from pasture land once used by grazing farm animals at the neighboring Eagle Mountain House. The **USGA** par-32 rated course now features a small pro shop, a beautiful driving range, and is open to the public from May through late October. The pro shop carries logo-wear, a limited supply of golf clubs, and golf balls (new and experienced). Gas or pull carts, and even golf clubs, are available for rent. The driving range provides practice areas for pitching, chipping, driving and sand lies. Purchase a full or half bucket of balls to use and perfect your game!

Casual dining is available year round in **Eagle Landing Tavern**. Make time to relax, take pleasure in a cold beverage on the Veranda, and enjoy the spectacular mountain views after your round. Dinner is served in **Highfields Dining Room**.
